

WHERE ARE THEY NOW

Thanks to Don C Collins, Joe Novak and Jim Carroll for the all the work they have done over the years. There is a lot of work involved in preparing for a reunion and to keep track of everyone we can possibly find. We have used many methods to find our brother and want to say thanks to all who helped. We still have some additional brothers we have not found yet from both HMM-162 Squadrons who served in Vietnam. Over the next few weeks and months we will continue to use of the resources on the web, as well as organizations like the Marine Corps League, Veterans of Foreign Wars, American Legion, the VA and any other resource we can find.

If each of you would go over the rosters that we will be providing at the reunion and mailed to each brother who was unable to attend and see if there is any information that is incorrect, needs to be updated with additional information, etc. We will also be providing a deceased member list. To our dismay it is continually growing as we go from one Reunion to next.

The following members of both Col Leu and Col Curtis squadrons are still missing. If anyone knows the whereabouts of any member who is still missing or determined to be deceased please send the information to us and we will get these brothers on the list. The following Brothers are just a sampling of the brothers we have not been able to find.
